

Cherub Instructions

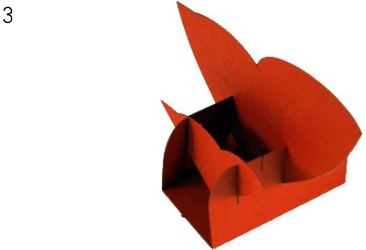

"Fall back in love with your business"

Pop out all the elements from the sheet

Fold base along creases as shown

Insert clouds into slits on base

Insert Heart into the slots at the back of the base

Slide the wings into the slit on the cherub

Attached the smaller cloud to the centre top of the heart with the smaller of the two slits, the cloud should sit at right angles to the heart.

Attached the cherub to the small cloud at the top of the heart, using both slits on the cherub and cloud.

To finish add the remaining cloud to the last slit on the base
